**الإجابة:** One of my favorite hobbies is painting. I enjoy painting because it allows me to express my creativity and emotions on canvas. Through colors and brushstrokes, I can create beautiful landscapes or capture meaningful moments. Painting also helps me relax and unwind after a long day. It's a form of therapy that allows me to escape from the stresses of life and immerse myself in a world of colors and imagination. #### مهارة التحدث

اشرح المكان الذي تحب الاسترخاء فيه، وأوصف ماذا تفعل هناك "Describe your favorite place to relax." واجه موضوع ولماذا تحب هذا المكان.

الإجابة: One of my favorite places to relax is a quiet park near my home. This park is surrounded by tall trees and beautiful flowers, creating a peaceful and serene atmosphere. Whenever I visit the park, I like to find a comfortable spot on the grass, lay down, and listen to the birds chirping. Sometimes, I bring a book with me to read or simply close my eyes and enjoy the gentle breeze. I love this park because it provides a break from the hustle and bustle of daily life. It allows me to disconnect from technology and connect with nature, which helps me recharge and feel more rejuvenated.
